ADD/A (Colonel White)

9 May 1952

1. Talked with Shef Edwards, George Meloon, and Stuart Hedden regarding the two [REDACTED] employees who were absent without leave. They are being separated and sent back to Boston today; their security behavior, according to Colonel Edwards, was good. I checked with Stuart Hedden who reassured me that nothing had come to light during his interview with the employees which would cause us to question [REDACTED] request that they be separated.
